The award-winning Taiwanese ensemble **A Moving Sound** 聲動 has built a worldwide following through their joyous mix of original music and dance. Featuring the distinctive timbres of the erhu (Taiwanese fiddle) and zhong ruan (lute), and the transcendent vocals of Mia Hsieh, A Moving Sound has a compelling style all their own—a whirlwind that veers between the meditative and the exuberant with irrepressible spirit.

The award-winning Taiwanese ensemble **A Moving Sound** 聲動 has built a worldwide following through their joyous mix of original music and dance. Featuring the distinctive timbres of the erhu (Taiwanese fiddle) and zhong ruan (lute), and the transcendent vocals of Mia Hsieh, A Moving Sound has a compelling style all their own—a whirlwind that veers between the meditative and the exuberant with irrepressible spirit.

Learn more about a Moving Sound's music at a free meet-and-greet event at the **North Valleys Library** on Wednesday, September 25, at 3:30 pm, thanks to the **Performing Arts Series at the University of Nevada, Reno**.
